61-16466

Trans. of Akad[emiya] Nauk SSSR. Dok[lady] 1958, v. 119, no. 4, p. 644-647.

DESCRIPTORS: *Difference equations, *Differential equations, *Numerical methods and procedures, Theory.

An investigation is made of the convergence of certain finite-difference processes for the solution of the Cauchy problem for such equations. (These differential equations occur in the transportation lag problems of operations analysis and in certain radio-inertial missile command systems.)
